## Last Call for England Pub to Pub Trip!

Join Cycling Adventures and CCSD for a Cycle and Hike Adventure in England!

A wonderful opportunity to experience the very best of Britain. Choose either the cycling or hiking option and prepare to be amazed by the beauty of the countryside from the quaint thatched roof villages of Oxfordshire, through to the rolling hills and market towns of Northamptonshire and finally the dramatic scenery of the Peak District National Park. We stay at old fashioned country inns and traditional pubs, visit castles, palaces and ancient churches, sample the best of British cuisine (award winning gastro-pubs, traditional pies, English cheeses, puddings, pasties and of course fish and chips) and enjoy delicious picnic lunches overlooking the most beautiful views you can hope for.

This trip is simply awesome! July 11-22, 2016 - <http://www.ccsd.com/england/>

The only decision you have to make is if you will attend 8 days or 12!
