Member Spotlight - Mark Clement

Cycling Adventures Member #008

Mark was born in Japan, but grew up in San Diego. This near-Native, is married and has two kids. Mark works for Apple where he met Mike Kurtz. Mighty Mike and his friend Suzi Harlow took Mark on his first road bike ride. Then, Mike introduced him to Cycling Adventures as the group was getting ready for the Solvang Century. That was it, Mark was hooked and cannot imagine his life without cycling. Cycling helped Mark drop some serious weight in a short time and helps keep the scale down today. You'll see him occasionally on a Cycling Adventures Sunday ride or with the Sub5 group on Saturdays. If he's not there you'll likely find him riding his bike up a mountain.
